Dear Dr. Vic:

I would like to thank you for the very professional way that you handle the many Workers' Compensation and Veterans' Disability referrals that we send to you.

Your very thorough reports show that you are very dedicated in making sure that each client's medical records are very well studied. Your astute analysis of each referral is quite impressive. It is also noted that your understanding of the Workers' Compensation and also the Veterans' Disability diagnostic codes and ratings are also very impressive. You are one of the few doctors who understand the Veterans' Disability rating regulations, and it shows in your detailed reports.

Your fees are very reasonable and your scheduling is with ease. I would be happy to refer you to any attorney, as we have been very pleased with your dedication to the quality of your work.

Please feel free to refer any questions to my office, as we will be happy to help.

Sincerely,

BLAIR LAW OFFICES, PLLC
