I certify that the above information is complete and accurate to the best of my knowledge. If the health plan information is not accurate, or if I am not eligible to receive a health care benefit through this provider, I understand that I am liable for all charges for services. I agree to notify this provider immediately whenever I have changes in my health condition or health plan coverage. I understand that my provider of acupuncture services may need to contact my Primary Care Physician or treating physician if my condition needs to be co-managed. Therefore, I give authorization to my provider of acupuncture services to contact my medical doctor if necessary.

Informed Consent

I hereby request and consent to the performance of acupuncture treatments and other procedures within the scope of the practice of acupuncture on me (or on the patient named below, for whom I am legally responsible) by Dr. Ross Batiste. I understand the methods of treatment may include, but are not limited to, acupuncture, moxibustion, cupping, electric stimulation, nutritional supplementation and counseling. I have been informed that acupuncture is a generally safe method of treatment, although side effects and risks may occur including bruising, numbness or tingling, dizziness and fainting. Unusual risks of acupuncture include spontaneous miscarriage, nerve damage, and organ puncture including lung puncture. By voluntarily signing below, I show that I have read, or had read to me, the above consent to treatment, have been told about the risk and benefits of acupuncture and other procedures, and have had an opportunity to ask questions.
