

Over 200,000 patients
have been treated
successfully since 1988

"Made my feet feel normal again. No more pain." - D.T

"Reduced pain in hands and feet almost immediately!" - D. G.

"After using the unit, the pain and burning has been reduced. I am getting better sleep because there is less pain in my feet." - S.B.

"It is working great ... and it worked super fast to stop the pain. This machine is a real miracle and I am so glad I have one!!" M.V.

Used in clinical practices world-wide & prescribed for home-based therapy by thousands of physicians throughout North America.

Cancer Treatment Centers of America® has used the ReBuilder for 12 years for their chemo-induced neuropathy patients.
