

**PLEASE READ THIS URGENT EMAIL THRU TO THE END.  
IT IS VERY IMPORTANT TO FORWARD THIS EMAIL TO  
YOUR FAMILY & FRIENDS!**

**\*\* WE FOUND OUT SHOCKING NEWS AND WE ASK THAT  
YOU PLEASE CONSIDER TAKING ACTION (we have outlined  
the action steps below).**

**\*\*\*WE ALSO HAVE A NEW LINK REGISTER FOR OUR  
SATURDAY VIRTUAL COMMUNITY CLINICS AT 10 AM (PST):  
<https://bit.ly/3bmcNWm> (THE OLD LINK WILL NOT WORK  
ANYMORE, SORRY FOR THE INCONVENIENCE).**

**A new Bill was introduced on 5/1/2020 called "H.R. 6666:  
COVID-19 Testing, Reaching, And Contacting Everyone  
(TRACE) Act".**

THESE CONTACT TRACERS WOULD LEAD TO TESTING IN  
OUR HOMES AND IF POSITIVE FAMILY MEMBERS BEING  
TAKEN AWAY FOR QUARANTINE! THIS SOUNDS SURREAL  
BUT NOW with this NEW BILL RESOLUTION PROPOSED ON  
5/1/20, THIS IS OPENING THE DOORS FOR THIS TO HAPPEN!  
There are already drones monitoring people in various parts of  
the U.S.

People around the U.S. are concerned that the government will  
use using contact tracing to remove people from their homes and  
place them in quarantine, **after a Ventura County, California  
health official suggested doing just that! Due to public  
outcry, he changed his story.**

Remember that testing already has been shown to have a high  
rate of false positives. False positives, means that you don't have  
COVID 19, but the test shows that it is a false positive!

**We will give you action steps to take below.**

**Please forward this email to your family and friends in the United States. This will ultimately also affect other countries very soon.**

**\*\* Our liberties are being taken away QUICKER than anyone could anticipate. This NEW BILL was introduced on May 1, 2020. If we don't take action, the effects can be DEVASTATING!**

*This past Saturday (5/9/20), in our Virtual Community Clinic, we warned you about the significant inaccuracies of the "COVID-19 Testing" and then described how "positive tests" could lead to "Contact Tracers", what Contact Tracers are and how our liberties would be taken away!*

*Remember we spoke about frogs in a pot of water that slowly heats up (and the frog doesn't realize it)? This is not a conspiracy theory, this is happening right now!*

**\*\* If we don't take action, this could quickly turn for the worse VERY FAST.**

**\* This BILL initiated on 5/1/20, was introduced by Illinois Congressman Bobby Rush "H.R.6666"**

**THIS BILL STATES: "To authorize the Secretary of Health and Human Services to award grants to eligible entities to conduct diagnostic testing for COVID-19, and related activities such as contact tracing, through mobile health units and, as necessary, at individuals' residences, and for other purposes".**

**\* What this means is essentially setting up a nationwide Contact Tracing and Quarantine Program.**

***In addition, what do they mean by "... and for other purposes?"***

**Section 2: COVID-19 TESTING AND CONTACT TRACING USING MOBILE HEALTH UNITS. \* This will allow Alex Azar**

who is the Health and Human Services Secretary and the Centers for Disease Control (CDC) to fund eligible entities to conduct diagnostic testing for COVID-19, to trace and monitor the contacts of infected individuals and to support the quarantine of these contacts, via Mobile Health Units.

\* Who are the eligible groups qualified to receive this funding? Health Centers, Non-Profit Organizations, High Schools and anyone else the HHS (Health & Human Services) deems eligible.

***The amount of tax payer dollars asked for to trace the public and force Quarantines is \$100 billion dollars for 2020 alone!***

***H.R. 6666 has been sent to the House Committee on Energy and Commerce.***

**Change.org is already acting on the bill as shown here: (we have signed the Petition & wrote to Congress)**

**\*\* The World Health Organization recently recommended forcibly removing family members from their homes, and putting them in Quarantine. Queen Elizabeth recently spoke about removing family members from their homes as well in the UK.**

In addition, we previously mentioned that Bill Gates has funded MIT in developing invisible ink to track people regarding their vaccines. This would be an Invisible Quantum Dot Tattoo to ID vaccinated children.

(As a side note, Microsoft was also recently granted patent #WO2020+060606 for a Cryptocurrency Surveillance System connected to the human body).

## **STEPS TO TAKE:**

**1. Click [HERE](#) to watch our Virtual Community Clinic Webinar recording from this past Saturday (5/9/20). We discussed how the inaccuracies of the COVID-19 Testing would lead to Contact Tracing (see Time Stamp below).**

2. Here's how to call or write Congress to oppose this bill:

Go to:

<https://www.govtrack.us/congress/bills/116/hr6666/comment>

*They will walk you through the process of writing or calling your representative and senators in Congress about H.R. 6666, based on where you live.*

H.R. 6666 is currently pending before the House of Representatives, so they will help you connect with your representative. You can then ask them to oppose the bill.

3. Here is how to sign the Petition on Change.org
