

## ***The 16th Garner Chiropractic Open (GCO)***

***“Let’s have some fun!”***

*SIXTEEN YEARS... it’s that time again! I am excited to invite you to The 16<sup>th</sup> GCO on September 28, 2018 at **Lonnie Poole Golf Course at NC State University**. The deadline for players/sponsors is June 15, 2018. Set-up teams should arrive Thursday (September 27) at 1pm and Friday (September 28) at 6am. **Players can check-in from 9-10:15am with tee-off at 11am.** The Thursday player/sponsor reception party from 5:30-8pm is being hosted by **Raleigh Neurosurgical Clinic** again this year. So, mark your calendars!*

*This is a fantastic and FUN golf event with over \$15,000 in prizes and giveaways each year! As our tradition continues, **Garner Mayor Ronnie Williams, Miss North Carolina, and ABC 11’s Don “Big Weather” Schwenneker** will start the event.*

*If you join our sponsor club, please be very specific on how you would like your company/name represented. Your “goodie bag” giveaways are due by September 15, 2018. Please submit all logos in JPEG format to [kirchchiro@bellsouth.net](mailto:kirchchiro@bellsouth.net). We will reach full capacity again this year, so volunteers are always needed. Please call Betsy or myself @ 919-779-2225, to volunteer or regarding any questions.*

*Since 2001, the players, sponsors, and volunteers involved in the **GCO** have supported many children and multiple programs in the Garner/Raleigh area. This year the tournament will benefit children’s health & wellness programs, The Patriot Project (providing healthcare services for veterans), The Garner Civitan’s Club, Community of Hope Charity, and **The Garner Chiropractic Players Scholarship**, in cooperation with the Garner Trojan Club/Garner High School.*

*I am planning on handing a player keys to a **2018 Land Rover** this year! The closest ball to the hole in the 15 previous years was 3-inches away!! **Leith Jaguar Land Rover Cary** has been a longtime sponsor and wants to give you a new vehicle. All you have to do is bring your game and pack your lucky quarter. **Let’s GO!***

***So... take the day off work, invite your friends, pack some extra balls, and prepare yourself for the FUN you deserve!***

*Enjoy your day,*

*Dr. Perry J. Kirch*
