

PAYMENT POLICY AND DISCOUNTS

We are a cash based practice. Payments are due at time of service. We are “Out of Network” providers for most insurance plans. However, we do bill traditional Medicare (part A and B) for “allowed charges” with an assignment of benefits. We also can supply Superbills for patients that want them to submit to insurance companies for “Out of Network” benefits. We do not guarantee insurance reimbursement from you plan since all insurance plans are different.

Usual and Customary Fees / ChiroHealthUSA Discounts

Our Usual & Customary office fees are charged unless a patient happens to be a member of ChiroHealthUSA (CHUSA). Patients have an option to join CHUSA in the doctor’s office on their 1st visit. There are over 5,000 CHUSA providers nationally. CHUSA is not insurance. It works a lot like a COSTCO plan since there is a yearly membership fee and they get discounts when they come in for treatment. In our office, CHUSA rates per treatment are all-inclusive. CHUSA requires an initial yearly membership fee of **\$49**. They do not require automatic renewals each year and family members and dependents are included in the membership.

CHUSA (all-inclusive rates) Vs. Usual & Customary rate

	CHUSA rates:	Usual & Customary rates:
• ROUTINE OFFICE VISIT:	\$50 (15 min)	\$75 (15 min)
• EXPANDED OFFICE VISIT:	\$100 (30 min)	\$150 (30 min)
