In cases where benefits are not assignable or in any case where your benefit is processed directly to you regardless of assignment, you agree to submit any payments received along with the explanation of benefits to this clinic within 10 days of receipt unless you have paid for the services represented by said payment in full at the time of service. We will make every effort to ensure that your insurance carrier properly processes your services for payment. In some circumstances, we may require your assistance. If your insurance company has not paid your account in full within 60 days and you refuse to assist us in dealing with your carrier, the balance will be automatically transferred to your credit card or the extended payment plan.

NOTE: Please be aware that some, and perhaps all, of the services provided may be non-covered services and not considered reasonable and necessary under your insurance program.
