★ Welcome to Bright Star Camp ★

BRIGHT STAR CAMP'S 41st summer is quickly approaching. At Bright Star our main concern is the safety and well-being of your child. You will be pleased to know that your children will be lovingly cared for by trained caregivers. Bright Star is proud to offer four different programs. Each program provides your children with separate air-conditioned classrooms. During rainy days, Bright Star Camp has an indoor space for all of our campers to run, dance and play games.

CAMP TO SCHOOL TRANSITION PROGRAM - This program is for children ages 18 months - 2 years old. Bright Star Academy believes in supporting children and their families during their adjustment to school. Therefore, we are offering a Camp to School Transition Program that prepares new students for their first school experience. This program helps children transition from the home environment to the school environment. By attending this program, children will develop confidence in leaving the families/caregivers and will acclimate to an Early Childhood Learning Center. Activities within the program will be outdoor play, art, music and expressive movement.

THE LITTLE STAR PROGRAM - This is an on-campus program for children ages 3-4 years old. Activities within these groups include outdoor play, water play, music, expressive movement, dance, imaginative play, games, stories and much more!

THE STAR FISH PROGRAM - This is an off-campus program where children ages 4 and 5 travel to a local pool two days per week. Children will become more confident and learn beginning swim skills. Children will enjoy activities at Bright Star such as art, outdoor play, games, building, karaoke, and much more during the remainder of the week! **All children within this program MUST be able to toilet independently, NO EXCEPTIONS.**

THE STAR TREK PROGRAM - This is an off-campus program for children ages 4-10 years old. In this program, campers travel every day. Two days per week, campers travel to a local pool. Campers will become more confident in the water and learn beginning swim skills. Three days per week, campers travel to a local park where they will participate in sports, sprinkler play and will play in the park. Activities at Bright Star include art, group games, sports, theme days and much more!

Four & five year olds are eligible for all programs
